2018
LUXURY

GTX⁺ LIMITED 230 / 300

LIVING ROOM ONBOARD

The new design makes hanging out just as fun as riding around.

INGENIOUS STORAGE

All your gear is now within arm's reach.

MUSIC ONBOARD

With the industry's first manufacturer-installed, truly waterproof, Bluetooth[®] audio system.

REVOLUTIONARY STABILITY

The new industry standard for stability.

RIDER CAPACITY

Weight capacity 600 lb / 272 kg

DIMENSIONS

Fuel capacity	15.9 US gal / 60 L
Length (bumper to bumper)	135.9" / 345.1 cm
Width	49.4" / 125.5 cm
Weight (dry)	824 lb / 374 kg (GTX LIMITED 230) 847 lb / 385 kg (GTX LIMITED 300)
Storage capacity	27 US gal / 102.5 L

ENGINE

Type	Rotax [®] 1500 HO ACE™ Rotax [®] 1630 ACE™
Intake system	Supercharged with external intercooler
Displacement	1,494 cc (1500 HO ACE™) 1,630 cc (1630 ACE™)
Cooling	Closed-Loop Cooling System (CLCS)
Reverse system	Electronic iBR [®]
Starter	Electric
Fuel type	87 octane – minimum 91 octane – recommended for GTX Limited 300

Liquid grey Metallic / Equestrian Brown

iTC / iBR / ST³ / CLCS / ECO

HULL

Type	ST ³
	<ul style="list-style-type: none"> Longer and larger platform Rough water and offshore inspired deep-V hull Stable and predictable

ST³ HULL™

EXCLUSIVE LIMITED PACKAGE

ENGINE

1,494 cc or 1,630 cc four-stroke, Rotax[®] with three cylinders in-line and four valves per cylinder

Rotax[®] engines with maintenance-free supercharger¹, external intercooler and the Advanced Combustion Efficiency (ACE™) technology. The Rotax[®] 1500 HO ACE™ is optimized for regular fuel, and is faster and more powerful than its predecessor, but just as fuel efficient, while the Rotax[®] 1630 ACE™ is the most powerful Rotax[®] engine ever, delivering high efficiency and amazing acceleration.

iTC™ (Intelligent Throttle Control) system

Operating electronically, this advanced throttle system starts you in neutral for easier dockside starts. It also features activity-specific Touring, Sport and ECO[®] modes that can all be set to accommodate your riding style. The result is a more responsive, more intuitive ride.

iControl[®] Learning Key[®]

The programmable Learning Key allows you to limit the performance of the PWC based on rider skill-level.

D-Sea-Bel™ system

Combines a series of resonators and vibration-absorbing components to make Sea-Doo watercraft some of the quietest on the water.

Closed-Loop Cooling System

Uses coolant to keep the engine running at the ideal temperature, much like a car's radiator. Also keeps out corrosive saltwater and debris.

FEATURES

iControl[®]

The "Brain" that integrates and controls all systems to create the best possible ride.

ST³ Hull™

The new benchmark for rough water handling, the fully redesigned ST³ hull™ is wider, for industry-leading stability at both rest and high speeds and expertly tuned to improve offshore performance.

Touring Mode / Sport Mode

Offers a choice between two throttle responses for different riding styles. Touring mode is the default setting offering a more progressive acceleration curve for a more confident ride – ideal for cruising and 2-up riding. Sport mode can be easily activated using the Sport button. It provides full acceleration performance for a more aggressive throttle response.

ECO[®] Mode

This iTC™ function automatically determines the most economical power delivery and sets the optimal RPM for greatest fuel economy.

Ergolock™ Seat with Stepped Design

Seat with narrow profile and knee support that lets riders sit in a more natural position and leverage their leg muscles to hold on to the machine for more control and less upper body fatigue. Also featuring a stepped design for more comfort and better visibility to passengers.

RF D.E.S.S.™ Key

With radio frequency technology and a ball-and-socket design, the Digitally Encoded Security System (D.E.S.S.) key provides riders with easy and quick starts every time.

New Reboarding Ladder

Now deeper and wider, it makes reboarding from the water easier and quicker

Direct Access Front Storage

Gear is now within arm's reach. The industry's first direct-access front storage opens by simply raising the handlebar assembly. No standing required.

Watertight Phone Box Compartment

Waterproof and shockproof phone compartment

Interactive Multifunction Digital Information Center

Cruise control, Slow mode, VTS™, Fuel level, Tachometer, Speedometer, Hour meter, Compass, Clock, Touring mode, Sport mode, ECO[®] mode, F-N-R indicator and more.

BRP Audio Premium

The industries first fully-integrated waterproof Audio System will keep the party going anywhere you do, with 100 watts of total system power, fully-waterproof performance, Bluetooth[®] connectivity, and external playback controls to ensure the perfect song is always on deck.

LinQ™ Attachment System

Exclusive quick-attach system on the swim platform allows for easy installation of storage accessories.

¹ Based on BRP internal testing. ² Larger storage front bin organizer is not included. ³ RXT-X 300 MY18 swim platform shown. ⁴ Cell phone not included. ⁵ Inspect supercharger every 200 hours (irrespective of the number of years) when the vehicle is used in intense conditions such as off-shore riding, continuous operation at wide open throttle, etc. ⁶ Bluetooth is a registered trademark owned by the Bluetooth SIG, Inc. and any use such marks by BRP is under license.

GTX LIMITED 230 / 300

FEATURES CONTINUED

Handgrips with Palm Rest	Swim Platform Carpet with Wood Pattern
Sponsons	Integrated Cleats
Bumpers	Large Swim Platform
Wide-Angle Mirrors	Seat Strap
Luxury Front Grill	Quick Latch Fuel Filler Design
Tilt Steering	Dual Drain Plugs
Footwell Carpets	Flush Kit
USB Charger	Emergency Floating Lanyard
Split Seat (2 parts)	Operator's guide, instructional video and booklet
Ski Tow Eye	
Reboarding Handle on Rear Platform	

PROPULSION SYSTEM

iBR [®] (Intelligent Brake & Reverse) system	First and only true brake on a watercraft recognized by the U.S. Coast Guard for improving boating safety since 2009. Now in its 3 rd generation, the intuitive and improved iBR [®] allows you to stop close to 160 feet sooner ¹ for greater peace of mind. All with the squeeze of a lever. And with its electronic reverse, it gives you a level of maneuverability that makes docking easier.
Stainless Steel Impeller	Delivers improved acceleration, higher top speed and less cavitation.

LIMITED PACKAGE

High-performance VTS™ (Variable Trim System)	The VTS™ adjusts the angle of the nozzle to change the behavior of the watercraft and improve parallelism to the water. The high-performance VTS™ provides handlebar-activated for quick settings.
Additional Gauge Functions	Depth finder, Altitude indicator, Water temperature.
Soft Knee Pad	Soft knee pad designed to provide extra comfort.
Dry Bag	Keeps contents dry and converts to backpack when removed.
Safety Equipment Kit	Contains all the essential safety equipment.
Storage Bin Organizer	Provide smart storage with cup holders.
Watercraft Cover	Protect your PWC.
Exclusive Coloration	

OPTIONS / ACCESSORIES

LinQ™ Cooler	Bilge Pump Kit
LinQ™ Fuel Caddy	Sandbag Anchor
LinQ™ Retractable Ski Pylon	Fire Extinguisher
Wakeboard Rack	Snap-in Fenders and Installation Kit
Ski Module	Trailer Move
12-Volt Outlet and Installation Kit	

WARRANTY

BRP limited warranty covers the watercraft for 1 year for recreational use.
